

# AN INTRODUCTION TO TRIBE

# Tribe

Always moving forward,  
together.

SUTTON'S  
CHILDREN IN CARE COUNCIL

# WHAT IS TRIBE?

**TRIBE** is the name of Sutton's Children in Care Council for young people aged 12+ who are looked after and would like to be involved in decision making and ensuring their voices are being heard.

We work on loads of different projects that aim to make a difference for children and young people who are looked after. Our meetings and events are also great opportunities to meet new people.

The infinity arrow and the words “**always moving forwards**” in our logo are there to show that although sometimes life may try to pull you back, you will always be launched into something better. We've included the word “**together**” because **TRIBE** will always be there for children and young people in care.

We are called TRIBE because we are a group of people with something in common.

# JOIN THE TRIBE

**TRIBE** cannot exist without young people like YOU. We believe that everyone has something unique to offer our Children in Care Council. If you would like to join us, please contact Nadine Wyatt. Her details are below:
